

PRIVACY POLICY

This privacy policy explains how T&T Tubecraft Ltd governs the privacy of its customers and visitors to our website, www.tubecraft.co.uk. It explains how we comply with the GDPR (General Data Protection Regulation), the DPA (Data Protection Act) and the PECR (Privacy and Electronic Communications Regulations). This policy will explain areas of this website that may affect your privacy and personal details, how we process, collect, manage and store those details and how your rights under the GDPR, DPA and PECR are adhered to. Additionally it will explain the use of cookies or software and the download of any documents or files made available to you on this website. Further explanations may be provided for specific pages or features of this website in order to help you understand how we and this website interact with you and your computer/device in order to serve you. Our contact information is provided if you have any questions.

Use of cookies

This website uses cookies to better your experience while visiting the website. As required by legislation, where applicable this website uses a cookie control system, allowing you to give explicit permission or to deny the use of saving of cookies on your computer/device.

What are cookies?

Cookies are small files saved to your computer's hard drive that track, save and store information about your interactions and usage of the website. Users are advised that if they wish to deny the use and saving of cookies from this website on to their computers hard drive they should take necessary steps within their web browsers security settings to block all cookies from this website and its external serving vendors or use the cookie control system if available upon their first visit.

How to turn off cookies

All modern browsers allow you to change your cookie settings. The following links may be helpful in helping you understand how you can update your browser cooking settings:

Website visitor tracking

When someone visits www.tubecraft.co.uk we use a third party service, Google Analytics, to collect standard internet log information and details of visitor behaviour patterns. We do this to find out things such as the number of visitors to the various parts of the site. This information is only processed in a way which does not identify anyone. We do not make, and do not allow Google to make any attempt to find out the identities of those visiting our website.

Downloads and media files

Any downloadable documents, files or media made available on this website are provided to users at their own risk. While all precautions have been undertaken to ensure only genuine downloads are available, you are advised to verify their authenticity using third party antivirus software or similar applications. We accept no responsibility for third party downloads and downloads provided by external third party websites and advise users to verify their authenticity using third party antivirus software or similar applications.

Contact and communication with us

Users contacting us through this website do so at their own discretion and provide any such personal details requested at their own risk. Your personal information is kept private and stored securely until a time it is no longer required or has no use.
